

COMMUNITY REOPENING UPDATE

Updated: 04/02/2021

To keep you up to date on our community plans for reopening, we wanted to summarize the latest updates for you. If you have any questions, please do not hesitate to contact Karen Pahlke, Interim Executive Director, 630-879-4005, klpahlke@covliving.org. We look forward to seeing you soon.

Residential Living:

Visitation status: Visitors will no longer need to be screened to visit in Residential Living. Visitors should continue to wear tight-fitted masks for the duration of their visit and maintain 6' of distance as well as practice good hand hygiene. Visitors are welcome in common spaces. Overnight guests are allowed in a reserved guest room or in their loved one's residence.

Assisted Living:

Visitation status: Indoor and outdoor visits are allowed by appointment. Visitors must undergo symptom and temperature screening, practice social distancing and hand hygiene, and wear a tight fitted mask through the duration of the visit. Visitors must not have traveled internationally or been on a cruise in the 14 days prior to a visit. Visitors are not presently allowed in common spaces. Please contact the concierge desk at 630-879-4300 to schedule a visit or for full details.

Skilled Nursing Care:

Visitation status: Indoor and outdoor visits are allowed by appointment. Visitors must undergo symptom and temperature screening, practice social distancing and hand hygiene, and wear a tight fitted mask through the duration of the visit. Visitors must not have traveled internationally or been on a cruise in the 14 days prior to a visit. Visitors are not presently allowed in common spaces. Please contact the concierge desk at 630-879-4300 to schedule a visit or for full details.
