

## COVENANT LIVING OF GOLDEN VALLEY REOPENING UPDATE

Updated: June 25, 2021

In an effort to keep you up to date on all of our community plans for reopening, we wanted to summarize the latest updates for you.

**Definition of fully vaccinated:** People are considered fully vaccinated for COVID-19 two weeks after their second dose of a vaccine that requires two doses (like Pfizer or Moderna), or two weeks after they get a single dose of a vaccine that requires one dose (like Johnson & Johnson).

If you don't meet these requirements, regardless of your age, you are NOT fully vaccinated. Keep taking all precautions until you are fully vaccinated.

If you have any questions, please do not hesitate to contact Jim Angell at 763-732-1508 or [jhangell@covliving.org](mailto:jhangell@covliving.org). We look forward to seeing you soon.

### **Residential Living:**

Residents who are fully vaccinated are not required to wear face masks indoors or outdoors in accordance with Minnesota Department of Health (MDH) and the Centers for Disease Control and Prevention (CDC). Residents who have not been vaccinated are strongly recommended to wear a face mask and social distance in accordance with MDH and CDC recommendations until they are fully vaccinated. We also encourage residents who are vaccinated to wear a mask if you feel more comfortable.

**Visitation Requirements:** Guests and visitors will need to complete a health-screening for signs and symptoms of COVID-19 when entering the building. Visitation hours are open for Residential Living. We ask that visitors that are not vaccinated wear their mask during their visit. For questions, call Jim Angell at 763-732-1508.

### *Amenity Areas (please note that some areas may have limited capacity):*

- Dining – The dining room and Bistro are open for residential residents to dine in. Reservations are needed for the dining room. Residents may invite up to four guests to dine with them in the dining room and Bistro.
- Fitness Center – Is open normal hours. Resident's may have guest in the fitness center. Guests must be 18 years or older and are required to sign a waiver form.
- Pool and Locker Room – Is open normal hours. Resident's may have guest with them in the pool.
- Activities – There are both in person and virtual activities and fitness programs available for residents.
- Chapel Services and Bible Study – There are both in person and virtual services available for residents.

- Beauty Shop – Is open for residents. Reservations are needed.
- Meeting Rooms – Are open for residents and guests. Reservations are needed. There can be up to 6 people at a time.
- Game Room – Is open for residents and guests.

### **Assisted Living/Assisted Living Memory Care:**

Visitation Requirements: Guests and visitors will need to complete a health-screening for signs and symptoms of COVID-19 when entering the building. Visitation hours are by appointment. Please call Kathy Bettenga for Assisted Living at 763-732-1536 and Lisa Tushar for Assisted Living Memory Care at 763-732-1434 to schedule a visit. We prefer a 24-hour notice. We ask that visitors wear their mask during their visit.

Family Outings: If a vaccinated resident chooses to leave the building, they do not need to quarantine for 14 days when they return unless they spend 15 minutes or more in 24 hours within 6 feet of someone who has COVID-19. To know someone has COVID-19, they should have a positive COVID test.

For questions, please call Lisa Tushar at 763-732-1434.

### *Amenity Areas:*

- Dining – The dining room is open for in person dining for residents only. All residents are required to wear a mask except while eating.
- Activities and Fitness Class – There are both in person and virtual activities and fitness programs available. Fully vaccinated residents may choose to participate in an activity without wearing a mask and social distancing unless unvaccinated residents are present then everyone needs to wear a mask and social distance.
- Chapel and Bible Study – We are providing in person group Bible Study. Fully vaccinated residents may choose to participate in Chapel and an activity without wearing a mask and social distancing unless unvaccinated residents are present then everyone needs to wear a mask and social distance.
- Beauty Shop – The Beauty Shop is open. Reservations are needed.

### **Skilled Nursing Care:**

Visitation Requirements: Guest and visitors will need to complete a health-screening for signs and symptoms of COVID-19 when entering the building. Appointments are recommended for visitation. Visitation hours are from 8:00AM to 7:00PM. Please call the receptionist at 763-732-1414 to schedule a visit. We prefer a 24-hour notice. We ask that visitors wear their mask during their visit.

Family Outings: If a vaccinated resident chooses to leave the building, they do not need to quarantine for 14 days when they return unless they spend 15 minutes or more in 24 hours

within 6 feet of someone who has COVID-19. To know someone has COVID-19, they should have a positive COVID test.

For more detailed information or to schedule your visit, please call the receptionist at 763-732-1414. For other questions, please call the Administrator at 763-732-1415.

*Amenity Areas:*

- Dining – The dining room is open for in person dining for residents only. All residents are required to wear a mask except while eating.
- Activities and Fitness Class – There are both in person and virtual activities and fitness programs available. Fully vaccinated residents may choose to participate in an activity without wearing a mask and social distancing unless unvaccinated residents are present then everyone needs to wear a mask and social distance.
- Chapel Services – There are both in person and virtual services available.
- Beauty Shop – The Beauty Shop is open. Reservations are needed.

**Employees, Contractors, and Vendors:**

Employees, contractors, and vendors will need to complete a health-screening for signs and symptoms of COVID-19 when entering the building and wear a face mask and other PPE as required in their level of care area.

We recommend following the basic core principles for preventing COVID-19 as follows:

- Hand hygiene. An alcohol-based hand rub will be used upon entrance and exiting.
- Wearing a well-fitting facemask that fully covers the mouth and nose.
- Keeping people 6 feet apart (social distancing).
- Cleaning and disinfecting of frequently touched surfaces.
