

## **COVENANT LIVING OF GOLDEN VALLEY REOPENING UPDATE**

**Updated: April 2, 2021**

In an effort to keep you up to date on all of our community plans for reopening, we wanted to summarize the latest updates for you. If you have any questions, please do not hesitate to contact Jim Angell at 763-732-1508 or [jhangell@covliving.org](mailto:jhangell@covliving.org). We look forward to seeing you soon.

### **Residential Living:**

Visitation Requirements: Guests and visitors will need to complete a health-screening for signs and symptoms of COVID-19. Visitation hours are open for Residential Living. We ask that visitors wear their mask during their visit. For questions, call Jim Angell at 763-732-1508.

### *Amenity Areas:*

- Dining – The dining room and Bistro are open for residential residents to dine in. Reservations are needed for the dining room. We currently are not able to have guest dine in the dining room and Bistro but look forward to this being available soon. If residents would like to have a guest dine with them in their apartment, they can arrange to have their meals picked up in the designated area.
- Fitness Center – Is open normal hours for residents. Because of spacing, we can have up to 7 residents in the fitness center at one time.
- Pool and Locker Room – Is open normal hours. There can be up to 11 residents in the pool at one time.
- Activities – There are both in person and virtual activities and fitness programs available.
- Chapel Services and Bible Study– There are both in person and virtual services available.
- Beauty Shop – The Beauty Shop is open. Reservations are needed.
- There may be some different guidelines for residents who are unvaccinated. Contact Jim Angell at 763-732-1508 for more information.

### **Assisted Living/Assisted Living Memory Care:**

We recommend to follow the basic core principles for preventing COVID-19 as follows:

- Hand hygiene. An alcohol-based hand rub will be used upon entrance and exiting.
- Wearing a well-fitting facemask that fully covers the mouth and nose.
- Keeping people 6 feet apart (social distancing).
- Cleaning and disinfecting of frequently touched surfaces.

***Definition of fully vaccinated:*** People are considered fully vaccinated for COVID-19 two weeks after their second dose of a vaccine that requires two doses (like Pfizer or Moderna), or two weeks after they get a single dose of a vaccine that requires one dose (like Johnson & Johnson).
